A. Review of Community Development Block Grant (CDBG) Program Applications for FY 2019-120.

The Commission will conduct the annual review of the CDBG proposals for FY 2019-20. **Please note the City has not received its allocation; therefore, per HUD direction, the staff is assuming \$450,000 allocation.** The City received a total of 13 eligible applications, and the CAC will review 7 applications in public services and 4 Capital applications.

As provided by federal regulations, a total of 15% or \$67,500 is available to fund Public Services. 65% or \$292,500 is available for Capital Services.

On January 17, 2016, the City Council adopted the two-year (2017-2019) funding priorities as guidelines to assist the CAC in evaluating the grant applications. For the public services category, the following priorities were established, in order of preference:

1. Senior Services
2. Youth Teen Services
3. Homeless Sheltering/Services
4. Child Care
5. Battered Women Sheltering/Services

For the non-public services applications, the following priorities were approved:

1. Home Repair/Rehabilitation
2. Affordable Housing
3. Rental Apartment Rehabilitation

As recommended by the CAC, on January 17, 2017, the City Council reaffirmed three established policies relating to the CDBG Program:

- A minimum funding level of \$5,000 shall be allocated for all public and non-public services; and
- \$10,000 from CDBG Program Administration for Fair Housing Services.

The CAC recommendations for CDBG funding for FY 2019-2020 will be forwarded to the City Council for review and approval.
